

Applicant respectfully believes that no sequence listing is required because these claims do not claim any DNA nor protein sequence.

Applicant here includes a duplicate copy of the Inventors' Declaration, executed by each of the three inventors of record. This Declaration in lieu of Oath is executed in accordance with 37 C.F.R. 1.68.

Applicant respectfully believes this submission places this application in condition for prompt examination.

Respectfully submitted on behalf of the Applicant by its attorneys,  
PHARMACEUTICAL PATENT ATTORNEYS, LLC
